High School Yearbook - 1968

DEDICATION

Mr. Wilbur Hixon

Mr. Hixon—

You are as young in spirit as we are.
Yet, you have treated us as adults—
it was not always easy to live up to—
but we thank you for it.

You are an excellent coach,
and have led many a team to victory.
You have inspired your boys with confidence.

And you have inspired your history students
to study and to think.

You possess broad knowledge and enthusiastic
understanding of history,
and you have imparted this enthusiasm to your students.

It is a challenge to meet you in debate.

Your distinguished teaching has brought many of your students
closer to high academic achievement.

You have instilled a warm, intellectual atmosphere in your classes.
And your wit and sense of humor are unforgettable.

We believe that you are like the two men you greatly admire—
Franklin Delano Roosevelt and John Fitzgerald Kennedy—

We believe that you possess the same high standards,
the keen political perception, the keen intellect,
and that certain dignity.

You are a fine American.

We, the Class of 1966, dedicate the 1966 Andanno to you
with great appreciation, admiration
and respect.

1917 - 1963

The Thirty-fifth President of the United States of America

He was a man of action and of grace.

He brought to the presidency a new excellence, a new idealism.

He brought a new youthfulness, a warm informal dignity.

And he died a young man, when we were young, as sophomores in this school.

He was a man of culture, with appreciation for the fine arts.

He was a man of intellectual greatness, and of conviction.

He sought peace, but peace without surrender of freedom, and gained the respect of the world.

He valued education.

And he believed in us, America's youth. He believed that we could learn, and grow, and become the leaders of tomorrow.

He placed great demands upon us when he said:

"And so, my fellow Americans:

ask not what your country can do for you—

ask what you can do for your country."

He was a man of strength and courage we all may follow.

In Remembrance

Lawrence George Gliss

Larry Gliss was tragically killed in an automobile accident on November 7, 1965. It was difficult for us to realize that he had died so young, at seventeen, never to know the completeness of manhood. We are all poorer, sadder, for his death.

If, in remembering Larry, we realize how very precious life is, if now we try to live our lives with purer values and warmer, kinder thoughts for each other, his death will not have been in vain.

Larry was our friend.

We will not forget him.

1966

The Senior Class of 1966 is represented by five officers and a Council composed of one member from each senior homeroom. Election of officers takes place in the spring of the Junior year: President, Charles Lane; Vice-President, Ellen Stewart; Treasurer, Lorraine Broderick; Secretary, Andrea Pasquale; and Social Committee Chairman, Jane Gillan.

The election of Council Representatives takes place in September of the Senior year in a manner prescribed by the Senior Class Officers. This year the officers decided not to have alternate representatives chosen. This policy was instituted in order to put a heavier responsibility upon each homeroom representative. The basic objectives of this year's Council are to coordinate and sponsor Senior Class Day, Senior Class Week, the Senior Class Musical and all other activities in which Seniors participate. The Senior Class Council also holds class meetings to inform each student of the work of the Council.

The class dues, which the Council determines, are set at six dollars. They are collected before the middle of February. The class is run on a budget of over four thousand dollars, much of which is spent on the Senior Class Musical and Senior Class Day. Any money left over after expenses is used for such things as subsidizing the *Andanno*, establishing scholarships, or possibly setting up funds for a future reunion of the class members.

A lovely night—wild and gay
June 4, 1965—our junior prom

The King's Grant Inn was splendidly transformed into the majestic castle of Camelot with its fair Maidens and its Knights in shining armor. As the happy couples arrived, a sweet fragrance of flowers and perfume lingered with each. There was dancing by soft lights in the ballroom and by moonlight at pool side. Throughout this festive holiday the exuberant voices were brimming with fun. The climax of the evening was the crowning of Lorraine Broderick . . . "A fairer maiden there could not be." An excellent dinner completed an evening filled with unforgettable moments and pleasant memories for years to come.

"Don't let it be forgot
that once there was a spot
for one brief shining moment
that was known as Camelot."

JUNIOR CLASS OFFICERS

This year the Junior Class faced problems similar to those of previous years with the exception that each year the problems have become more complex. There were class expenditures to be considered, the class ring to be chosen, and the prom to be planned to everyone's satisfaction. The effort was put forth this year to have a standard school ring. This was not a new idea, rather, the first time any action was taken in that direction. The prom was the class's most important undertaking. The prom is given annually by the juniors for the seniors. Chris Urquhart and Bill Gower were chosen prom co-chairmen in December.

standing: Carol Lichtman—*Social Committee Chairman*, Janice Stewart—*Treasurer*. *seated:* David Konjoian—*Vice President*, Joseph Hadam—*President*, Corinne Broderick—*Secretary*.

In a rather late election, the Sophomore Class elected its officers. Then the dues drive was spirited on by the original idea of pledge cards to help classmates remember their dues. Late in December, under the direction of Mr. Dorsey and Miss Samra, the class held the annual stationary sale, and in February, the traditional Saint Valentine's dance was held.

The Sophomore Class offers its best wishes for success to all the graduating members of the Class of 1966.

STUDENT COUNCIL

"The purpose of the council shall be to unite, control, and aid all organized activities, charter all clubs and organizations in Andover High School, and promote the general welfare of students and school by encouraging good citizenship."

This is the object of the Andover High School Student Council as it appears in Article II in the Student Council Constitution. It makes the council an organization of help and one of true representation of the student body on all important matters. This year's council tried to uphold this purpose. Every member of the council worked hard in the hope of making the council the voice of the students. Because the council is the most important organization in the school, its burdens were heavy, but it handled them well. With each member realizing that he was at the service of the student body, the council welcomed all the questions which came before it, and took a sincere interest in all student situations and problems.

This past year was one of looking over earlier records, finding ways of improvement and setting the foundation for strong, unified councils in the future. The 1965-66 council was not one of radical change, because things that are done too quickly are often done with error.

The senior members of the Andover High School Student Council leave with the hope that they helped the student body in every possible way, and they hope the councils of the future will put all their energies and efforts into the making of successful, useful councils.

The National Honor Society is an outgrowth of similar organizations founded in colleges and universities to give recognition to those students who have maintained high scholarship and who have also served their schools as outstanding citizens. Membership in this organization is one of the highest honors a school can bestow upon a student.

The emblem of the society is the keystone and flaming torch. The keystone has at its base the four letters C, S, L, S, which represent the cardinal principles of the society: character, scholarship, leadership, and service. The flaming torch symbolizes the society's purpose, which is to hold these principles above all else, as goals toward which members should always strive.

It is at the ceremony for the induction of new members that the traditional Lighting of Candles—the candles of Education, Character, Scholarship, Leadership, Service—takes place. About fifty juniors and seniors are given membership each year. The National Honor Society also awards one hundred dollar scholarships to two seniors at graduation.

Each editor, each staff member must work his hardest to meet deadlines and to publish the most comprehensive, interesting yearbook possible. The *Andanno* is a team effort, with every member striving and creating together—expressing individual tastes, but still respecting each other's opinions and willing to compromise, so that progress is not delayed.

The 1966 *Andanno* is the final, careful compilation of And-over High life of the graduating class, and of the future gradu-

ates, of their teachers, activities, sports. It is, hopefully, youth captured—in the photography, art and literature.

The 1966 *Andanno* will become outdated—yes—in the years to come. This must be expected. Styles, ideas, and people will change. But one thing will never change—and this is youth. Each editor and each staff member has tried to produce a yearbook of exuberance, and dignity—with the feeling of youth.

The keynote of any yearbook should be quality. The 1966 *Andanno* Staff has striven to create a yearbook that the Class of 1966 will be proud to have—now and in the future.

This year the Mosaic made great steps forward in its role as the newspaper for Andover High. This growth began in the fall with a massive subscription drive which was renewed in February. The result: the Mosaic reached more students, alumni and advertisers than ever before. Also, a column was added to the Mosaic—Expresso—a column for students wishing to have their works published.

The Mosaic is the "most independent school effort" for it is a complete student effort from the writing of the paper, the editing, the establishing of editorial policy, to the responsibility

for its own finances. The 1965-66 staff was effectively advised by Mrs. Smith and Mrs. Hawkes. Their understanding and knowledgeable counsel was invaluable and greatly appreciated.

Under the efficient editorship of Anne Moss, the Mosaic afforded to those interested in its possibilities a sense of responsibility, of importance and of awareness. It also instilled in its staff members a respect for the world of publications.

The 1965-66 Mosaic endeavored to serve the students, alumni and faculty of Andover High as a good newspaper, following only the finest standards of journalism.

Françoise Hautemulle

The American Field Service is an international organization whose goal is beautifully expressed by the AFS motto: "Walk together, talk together, ye peoples of the earth; then and only then shall ye have peace." AFS strives to reach this understanding through a program of student exchange between the United States and foreign countries.

This year, Andover High students have been very pleased to host their fourth AFSer, Françoise Hautemulle of Paris, France;

Kathleen Muller

Frankie lived with the Wesolowski family and was a member of the senior class.

Andover sent its first student abroad last summer. Kathy Muller lived for ten weeks with the Carlos Javierto family in Quezon Province, Philippines.

The Andover High AFS Chapter has sponsored a number of activities during the 1965-1966 school year, including a welcome picnic for Frankie and the sale of "Shares for Democracy."

The Varsity Club, which dates back to 1942, is a student organization composed of all varsity letter winners and cheerleaders. The club sponsors many important school functions including the Basketball Jamboree, the annual Varsity Club semiformal dance, as well as a varsity-alumni Basketball game. The Club also publishes a newsetter. The proceeds from these events are used to provide scholarships for deserving students.

PEP CLUB

The main purposes of the Pep Club are to instill and increase school spirit in the student body, to stimulate interest in all competitive athletic events, and to provide support for the athletic teams of Andover High School. Among some of its many activities this year were to donate funds to the expenses of the exchange students, to buy blouses for the cheerleaders, and to purchase the crepe paper which was used to decorate all the buses for out-of-town football games. On November 10, the Pep Club sponsored a very successful dance, Peporama III.

The Future Teachers of America at Andover High School was established during the 1963-64 school year. The purpose of the FTA is to present to the student the opportunities open to him in the teaching profession. Emphasis this year was placed on the choice of college. Various film strips, speeches, and group discussions proved to be helpful. Also, field trips were made to the University of Massachusetts, the University of New Hampshire, Boston University, and Northeastern University. In December, a panel of college students, alumni of Andover High, spoke to the FTA members about the many questions and phases of college life.

MATH CLUB

The Andover High Math Club was formed to encourage students interested in mathematics to search out phases of math which are obscure and which may not be covered entirely during school time. These aims are also the aims of the club's math team and of its faculty advisor, Mr. Shea. This past year ten members of the Math Club traveled to a high school in the North Shore area for a meet every month. It was proven that other teams trained vigorously for these meets. Andover's valiant team members benefited from the difficult, enjoyable meets and from the challenge of mastering complicated mathematics.

SCIENCE CLUB

The purpose of the Science Club is to stimulate interest in science and related fields through discussions, lectures, movies, trips, and speakers. The club is host to many interesting and informative individuals who are leaders in doctoring and engineering and are well-known in the community. Membership is open to all; everyone is invited to attend the special lectures.

The Science Club encourages student participation in the Andover High School Spring Science Fair. Many of the exhibitors then compete in the State Science Fair. Students have taken numerous first places in recent years for their excellence in various fields of concentration.

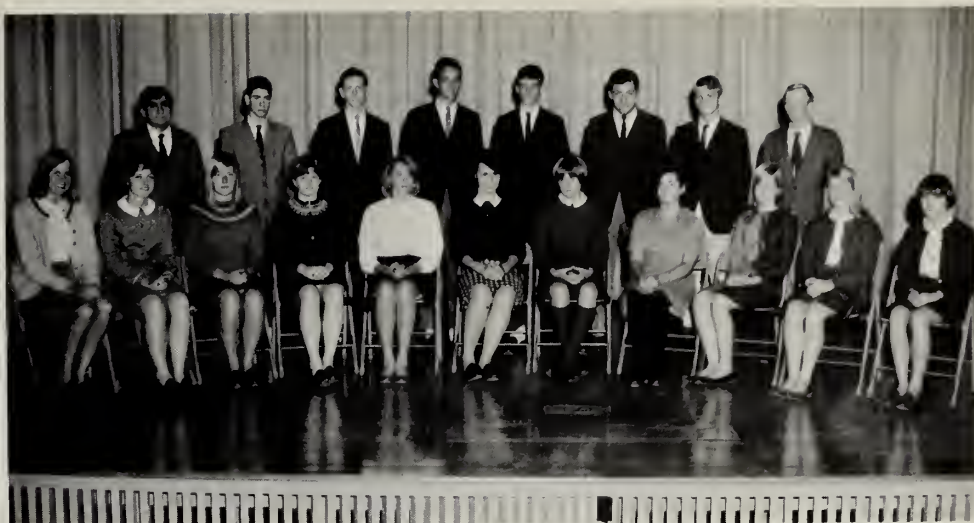

This year Mr. Deacon, the club's advisor, has provided many new ideas for the group activities. In the fall, plans were made for group experiments using Western Electric science kits, and for a field trip in the spring.

standing: Mary Moore, Denise St. Germain, Dorothy Svenson, Gardner Kellogg, Roger Hinman, William Lawson. *sitting:* Gayle Leighton, Sharon Briggs—President, Kenneth Hoffman.

ART DEPARTMENT

The Art Department exists to provide the proper encouragement and guidance to release the infinite variations of expression of interested students. Here they learn to develop their powers of imagination, observation, and memory. There is a wide variety of media at hand, and the principles of art: light, color, form, line, design and space are taught in relation to the students' own images, resulting in the freedom of expression and individuality so evident in their work. Guidance and direction are offered in time of crisis but the student is encouraged to see and discover by himself. Such freedom stimulates thought and ingenuity which comes slowly, but which bring an immense feeling of fulfillment and satisfaction in life.

LATIN CLUB

The purpose of the Latin Club is to promote interest in literature and our classical heritage. To accomplish this end, film strips, lectures and field trips are used. Roman life is relived through the celebration of Saturnalia (the Roman Christmas) in December. During 1965-1966, the second year of the Latin Club's existence, it joined the Junior Classical League. This is an organization which supplies information for programs and meetings. This year the Latin Club for the first time awarded a one hundred dollar scholarship at graduation to a senior intending to continue his education in Latin. The funds for the scholarship were raised by holding a dance in October.

FRENCH CLUB

The purpose of the French Club is to provide further knowledge about the French language, the French people and their civilization for those interested in this area. The only requirement for being a member of the club is to have had at least one year of French, for all the meetings are held in French.

This year, the members of the club heard several talks about France from its president, Françoise Hautemulle, the AFS exchange student, listened to French records and visited museums and exhibitions showing many aspects of the French way of life. In addition to these cultural programs, the French Club sponsored Language Week.

SERVICE CLUB

Officers: Patricia Jost—Treasurer, Harriet Keaney—President, Lynne Demers—Showcase Chairman. Frances Saber—Vice President—Secretary (not present when picture was taken).

The Andover High School Service Club is an organization of students who are willing to devote their time to serving the school and community. The Service Club carried out many worthwhile projects during the school year. The club aided the Memorial Hall Library in its renovation by transporting books to the upper area. When renovation was completed, they carried books to the proper shelves. The club entertained sick children with a Halloween Party at a local hospital, helped with the distribution of brochures for the Andover Chapter of the March

of Dimes, decorated the school for Christmas, and visited the veterans at the Tewksbury State Hospital during the holiday season. The members also worked behind the scenes at the Preliminaries for the Northeastern Section of the Massachusetts Secondary School Speech League at Andover High School on January 29, 1966. They sponsored various activities such as bakery sales, an April dance, and continued their monthly visits to the State Hospital. The Service Club deserves high praise for the help and happiness it gives to other people.

In keeping with the theme "People helping people" the members of the Andover High School Chapter of the Junior Red Cross have provided aid to the less fortunate of the community. They filled gift baskets and distributed them to local rest homes, prepared a Thanksgiving "feast" for a needy family, and equipped "Friendship Kits" with handkerchiefs, combs, pens and pencils, candy, gum, and playing cards for distribution at the Tewksbury State Hospital.

They also volunteered for the bloodmobile in March, the Greater Lawrence Headstart program, and the volunteer program at Lawrence General Hospital.

Under the leadership of their dedicated and enthusiastic faculty advisor Miss Samra, the club has enjoyed a most successful year. The determination of its members has enabled them to achieve their goal—service to the community.

"Has everyone handed in his library pass?" This is the identifying call of the library assistant. His purpose is to relieve Mrs. Freedman of some of the more routine matters of running the library, leaving her free to attend to the constant improvement of the facilities. Most frequently, the 1965-1966 library assistants were engaged in checking in and stamping out books, taking passes to study halls, and helping students find study materials. They also made out fine slips, arranged books, covered and catalogued new books and magazines, put books on reserve, and kept the library in order.

Being a library assistant requires much work, effort, and time, but it is a rewarding job, because it allows the assistant to better learn how to use the wealth of knowledge found in a library.

OFFICE ASSISTANTS

In the Main Office, a small dedicated corps of workers free Mrs. Connolly and Mrs. Skinner from some of their routine office work. The 1965-1966 office aid staff collected and delivered office requests, kept the files in order, and filed reports. The girls also performed welcome services when they typed up forms and prepared record registers for the State of Massachusetts. The office assistants do much time consuming work; they are both needed and appreciated.

Led by tri-captains Art Ricci, Alan Stocks, and Charlie Towne, the team's final record was 7 wins and 2 losses. Sophomore Ken Chlebowski showed great promise as he added much to the team's success.

At the annual football banquet, Alan Stocks was voted the most valuable player on the squad, and Charlie Towne and Arthur Ricci received the best offensive and defensive player awards. Bob Richardson, the team's big center, rightfully earned the Eugene Lovely Award for the best attitude. Footballs used in the winning games were presented to Tom Marjerison, Dale Inman, Bill Monroe, John McMahon, Ed Huot, Gary Lord, and Buster Deyermond.

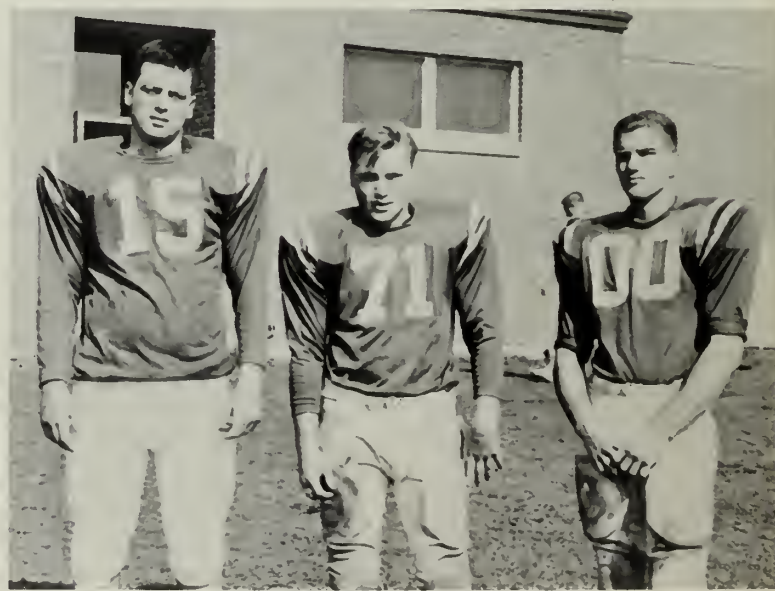

The co-captains elected for the 1966 team are Tom Sirois and John Maguire, and the team promises to have another very successful season.

The team, led by co-captains Mike Noonan and Tom Hopkins, consisted of Larry Brucato, Tom Marjerison, Marshall Petrie, Jim Hurley, Tom McCullom, John Parisi, Ken Chlebowsky, Pete Carmichael, and Joe Morrissey.

A large amount of the team's success can be attributed to the fine leadership and inspiration given the team by Coach Hixon.

This year the Andover High School Gym Team was faced with many disappointments. Composed largely of Juniors and Sophomores, the Golden Warriors finished a distant fifth in the state meet, with a final meet record of 5 wins, 4 losses.

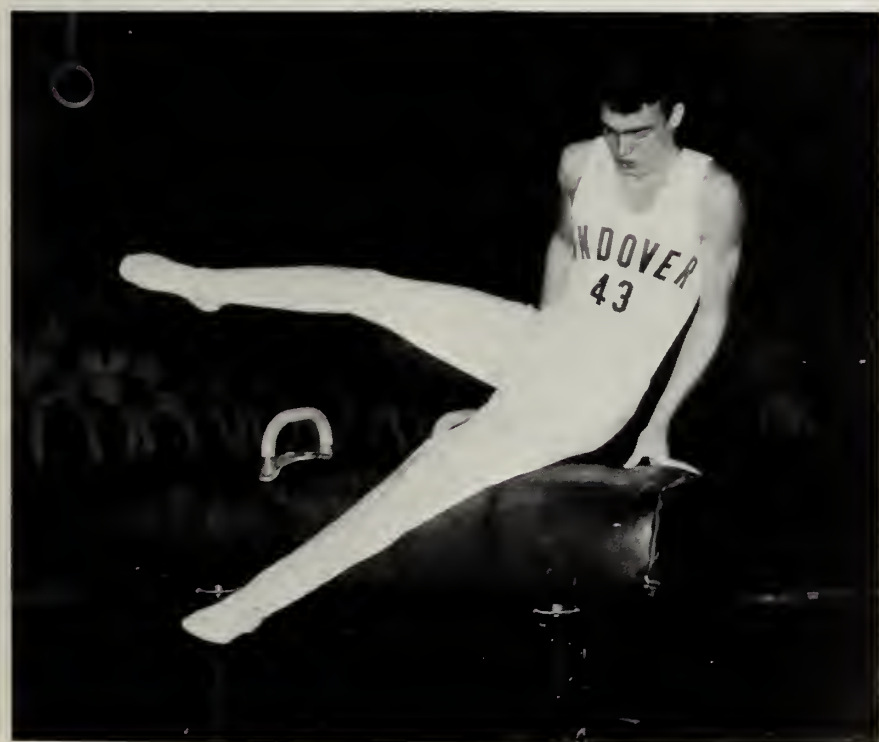

Andover captured only two medals in the Individual State Meet. Bruce Walker, an upcoming Junior, took first place on the high bar, while Chuck Shiebler managed to grab a fifth place on the still rings. Others competing in this highly competitive meet were Mike Winters, longhorse, Glenn Testa, floor exercise, Paul Briggs, still rings, and Dick Hatch, still rings and parallel bars.

Senior members of the team were Co-Captains Mike Winters and Chuck Shiebler, Frank Kennedy, and Glenn Testa. Juniors showing their ability were Bruce Walker, Paul Briggs, Ray Dillard, and Steve Bailey. The team's promising Sophomores were Dick Hatch, Pete Wojtkun, Lewis Trumbore, and George Stroud.

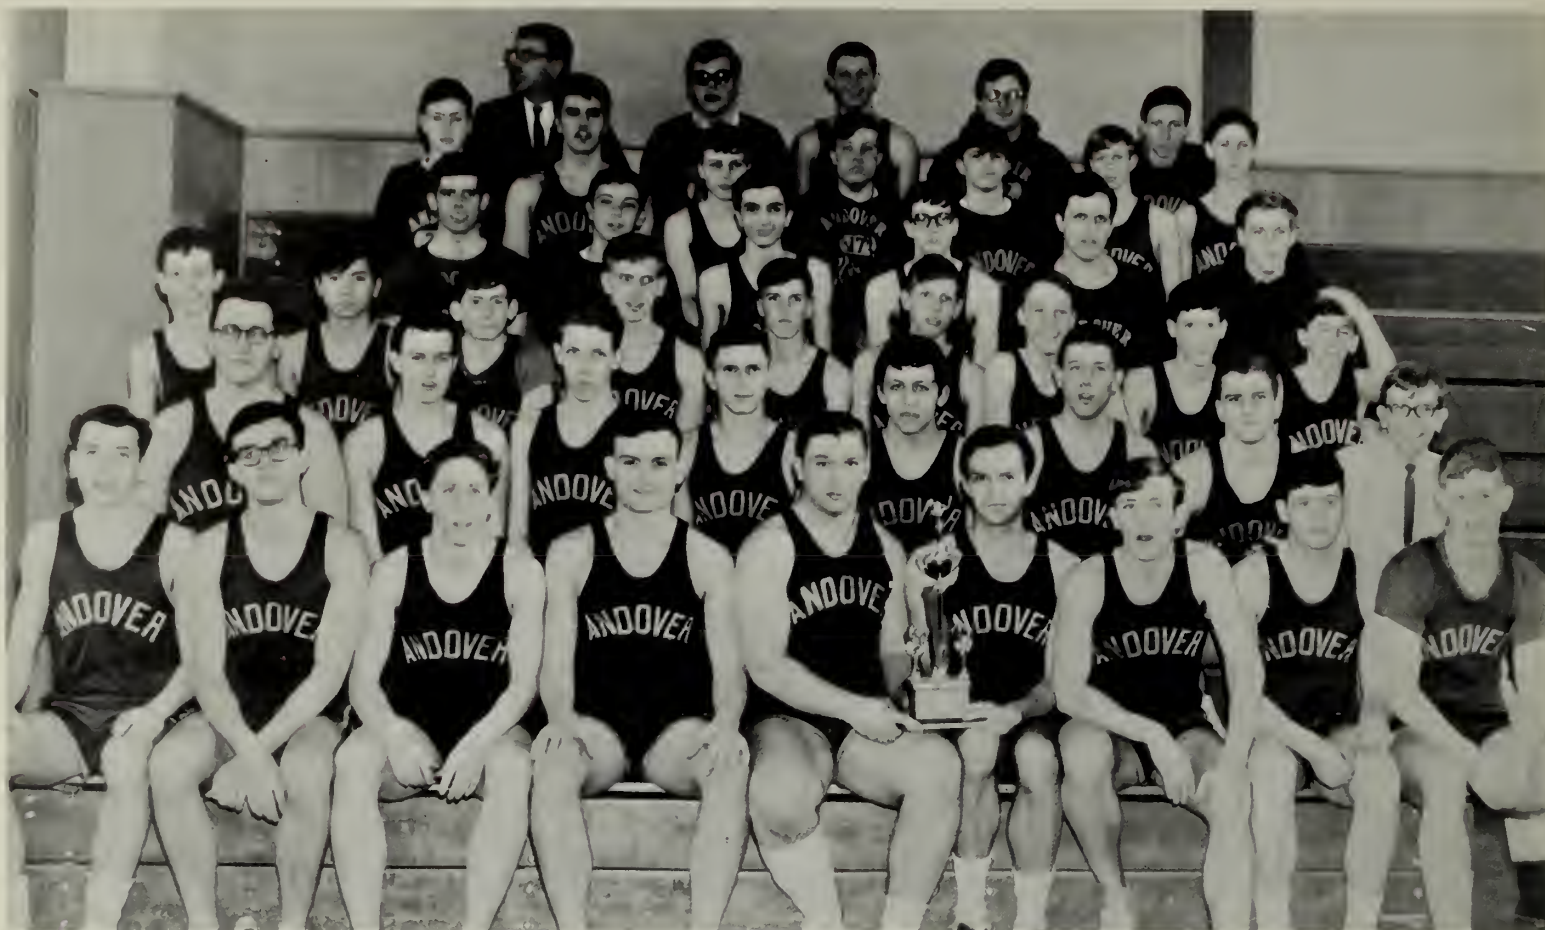

Although plagued with inexperience this year, under the expert coaching of Coach Dorsey, next year's team should capture many more laurels.

WINTER TRACK

The 1965-1966 Winter Track Team was the strongest Coach Collins had ever produced. Almost going undefeated, it swept the North Shore League effortlessly, the one loss coming at the hands of out of league Beverly 48-38. The most tormenting meet, however, was the Class C State Meet. Opposed by a mighty Randolph team, Andover's tracksters fought race by race, finally edging out Randolph 33-32 with the last event. Although the relay quartet of John McMahon, John Hess, Dean Eastman, and Bill Gower placed second to Randolph's relay, they were able to boost Andover ahead enough to win, setting a school record of 2:28.2. Joe Pro-

vasoli set the other school record at the meet with his 10:09.2 clocking in the two mile, 8 seconds off of his best timing, as he finished second. The only first taken was by John McMahon in the 300 with a time of 34.2. Much credit goes to Co-Captain Ed Huot for the win. Although recuperating from a broken leg, he was able to uncork a heave of 50' 4", taking second place and giving Andover 4 valuable points.

Although the squad was strongly dominated by Seniors, there are many upcoming Junior and Sophomore members who should add tremendously to the team's success in the 1966-1967 season.

Alan West and Ed Huot
Co-Captains

SPRING TRACK

Last spring the Golden Warriors completed a nearly undefeated season, their one loss coming from the powerful hands of Randolph at the State Meet by a mere 3 3/5 points. Ending their career in the Northeastern Conference, the Golden Warriors coasted to a victory in their last appearance at the Conference Meet, leaving seven new track records.

Spearheaded by Steve Hall (hurdles), Dean Eastman (dash), John McMahon (440), Bob Hadam (880), Joe Provasoli (2 mile), Co-Captains Ed Huot (shot) and Alan West (mile), and two new prospects, Mike Corry (high jump) and John Hess (broad jump), this year's team promises to be the strongest Coach Collins has ever produced.

CROSS COUNTRY

last row: Bob O'Brien, Charles Hatch, Richard Marden, Joseph Doherty, William Giblin, Arthur Sadowski, Robert Hadam, Albert Tobin, Stephen Marden, Edward Dewhurst. *first row:* David Morgan, Joseph Provasoli, Alan West, John Hess.

This year's X-Country team compiled the best season ever recorded in Andover High School history with 8 wins and 1 loss, the loss being to Billerica by 1 point. Co-Captains Joe Provasoli and Alan West led the team by taking first and second in all regular conference meets. They were closely followed by two outstanding Sophomore members of the team, Art Sadowski and Steve Marden, who consistently placed under the top ten in meets. Andover's Warriors placed second in their conference, Billerica placing first.

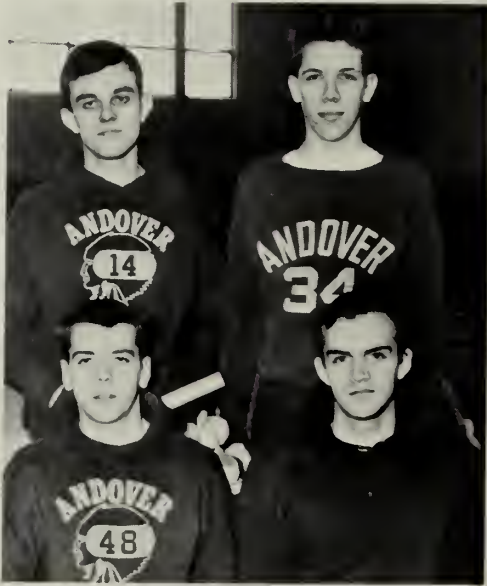

In Class C State Meet action, Andover's strong team, under the coaching of Mr. Dorsey, surprised everyone's expectations by placing second to the ever-powerful Randolph. West, Provasoli, Sadowski, and Marden placed 4, 9, 35, and 36 respectively.

Co-Captain Joe Provasoli ended his Cross Country High School career at the end of the season holding four course records. He holds the high school record in addition to course records he set at Tewksbury, North Andover, and Burlington.

Next year's elected co-captains are Bob Hadam and Bill Giblin, and prospects look promising for another outstanding season in 1966.

(low score wins)

SENIOR MEMBERS
standing: John Hess, David Morgan. *kneeling:* Joe Provasoli, Alan West.

BASEBALL

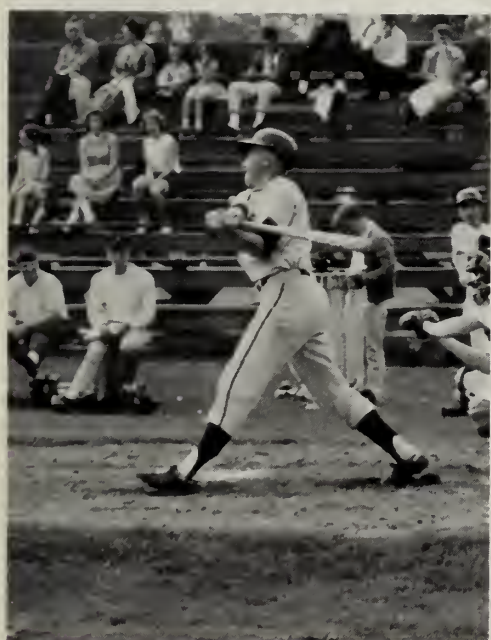

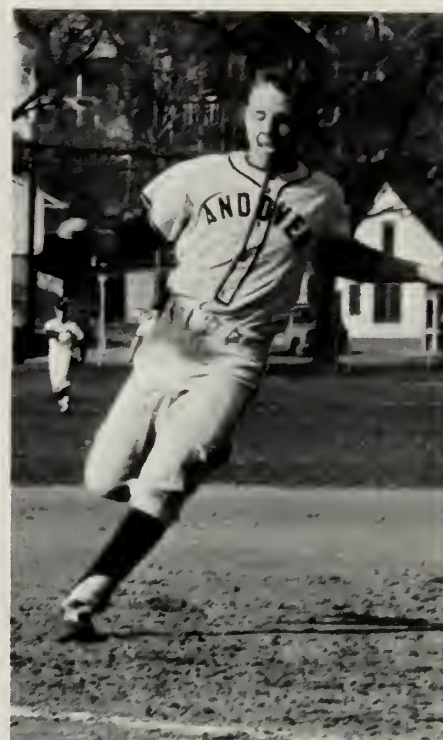

last row: Robert Hefner, Frederick Polgreen — *Coach*, George Sweddler, Dana Chapman, Thomas Hopkins, Richard McIntyre, William Rokicki, Jay Weiner, John Messersmith, William Battles, John Parisi, Alan O'Reilley, Ray-

mond Orstein, Joseph Pizzano. *first row:* Christopher Ordzie, Henry Wrigley, John Gaunt, Warren Deyermund — *Co-Captain*, John Gallant, Christopher Gilcreast, Thomas Marjerison — *Co-Captain*, Clifford Goddard.

This year the Andover Golden Warriors, led by Co-Captains Warren Deyermund and Tom Marjerison, were a major threat in the Merrimack Valley Conference. Under Coach Polgreen, the Warriors had nine veterans returning. They were Co-Captains Warren Deyermund and Tom Marjerison, John Gaunt, Jay Weiner, Mike Noonan, John Paris, Bill Rokicki, Tom Hopkins and Joe Pizzano.

GOLF

last row: Keith Bronson, Leslie Weiser, Edward Craddock. *first row:* Andrew Shapiro, Henry Raymond, Joseph Tabacco.

Wilbur Hixon
Coach

"If at first you don't succeed, try, try again."

Andover's illustrious golf team expects a great year in '66.

The team includes such golf greats as David Yeiter, Les Weiser, Joe Tabacco and Keith Bronson. With such a team victory seems imminent.

The enthusiastic Mr. Hixon must be mentioned as the driving force behind the team. Although not too successful in the past, with such determination as the golf team has, who knows what may happen in '66.

STUDENT LIFE

*you shall above all things be glad and young.
For if you're young, whatever life you wear*

*it will become you; and if you are glad
whatever's living will yourself become.*

e. e. cummings

Love potion #9.

How am I doing, class?

You're switching to Latin?

How'd ja like a rap in da mout?

Who put this onion in the meat and potatoes?

Howard was elected *what?*

Caviar—again?

Bye, bye, Mr. Wormwood!

Honest Mrs. Freedman, Hurley said it!

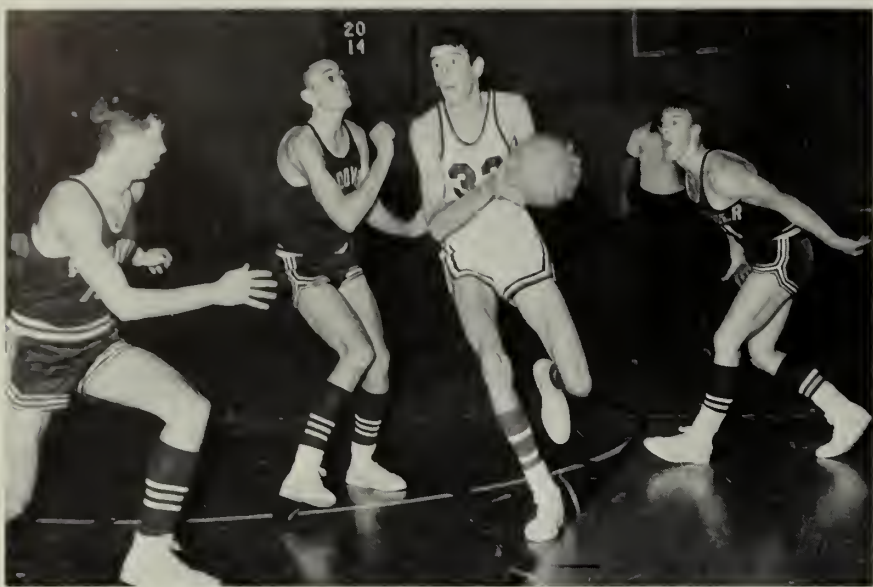

I wonder if he's going to jump . . .

This is one way to increase my income.

And if I do squeal?

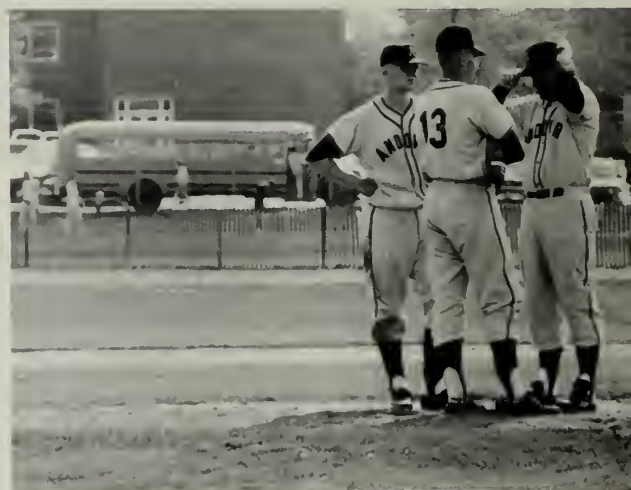

Who let *him* out?

Sorry 'bout your mud pie, Dot.

Say, stop that!

Now, about that broken window in that bus . . .

That wasn't our goal!

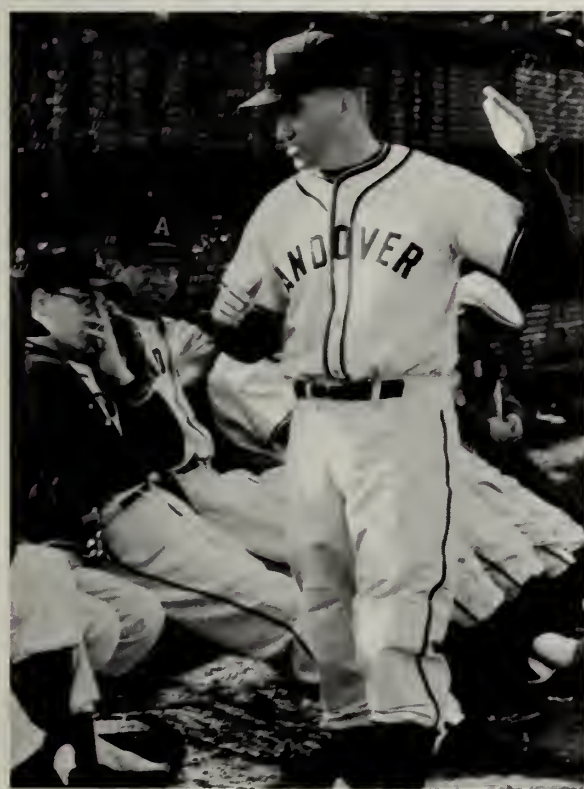

Boy, am I glad cows don't fly!

Now don't worry, Coachy's here.

Richardson, you OK?

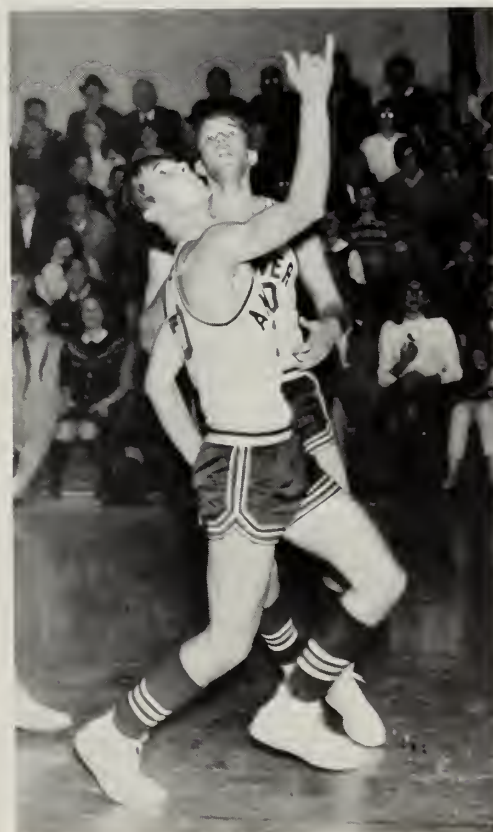

She's about this tall!

Ya put your right hip in, ya put your right hip out . . .

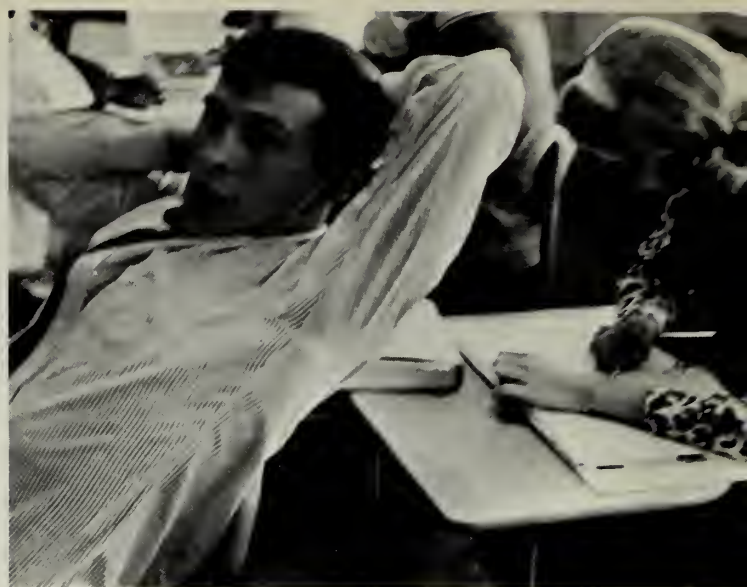

We didn't mean it, Mrs. Fairfield.

Mr. Hixon, get down out of there!

You mean you didn't get that joke?

BAN takes the worry out of being close!

Which window is the WINDEX window?

On my honor, I will do my best to do my duty . . .

Ayup!

She's a *must* to avoid!

Less levity and more work,
Brian!

You win by a nose!

We're working for the man!

I come to bury my frog, not to praise him!

And 'Away we Go' . . .

I even know when Columbus landed!

A Beginning
